BIO

If you don't know this emerging artist, well get to know and remember this name – Missy D. This femcee has been rapping since she was 11 years old in French and English coming from the 3 corners of the motherland (Rwanda, Côte d'Ivoire, Zimbabwe). Missy D calls it Rap & Soul. You might also catch her on stage alongside Sejal Lal with their duo Laydy Jams. Missy is a bilingual Hip Hop, Rap & Soul Artist who makes music as a form of therapy to express all the feelings, share a message and connect with listeners. It is a fusion of sounds of her childhood from french melodies to r&b, soul, jazz, hip hop, rock and rap legends. It's all for the culture and for us. She wants to speak for them, sing for them, and empower folks with love and music.

You will hear the sounds of MC Solaar, Diams, Erykah Badu, India Arie, J.Cole, Missy Elliott, Lauryn Hill, and Stromae echoing through her voice. Rest assured Missy D has more new music with a brand new French EP entitled Case Départ released in April 2022 with a video for the first single, Case Départ, and more coming soon. This artist will have you catching too many feelings or that je ne sais quoi singing YES MAMA as Missy D embraces diversity in instrumentals, music, and most of all people.

FRENCH BIO

Si vous ne la connaissez pas encore, eh bien apprenez à la connaître et retenez ce nom – Missy D. Elle rappe depuis l'âge de 11 ans en français et en anglais venant des 3 coins de l'Afrique (le Rwanda, la Côte d'Ivoire et le Zimbabwe). Vous pourrez également la voir souvent sur scène aux côtés de Sejal Lal avec leur duo Laydy Jams. Missy D est une artiste hip-hop, rap et soul bilingue qui fait de sa musique une forme de thérapie pour exprimer tous ses sentiments, partager un message et se connecter avec son public. C'est une fusion des sons de son enfance allant des mélodies françaises, aux légendes du r&b, du rap, de la soul, du jazz, du rock et du hip hop. C'est une célébration musicale et culturelle. Elle veut parler pour nous, chanter pour nous et nous rapprocher avec amour et musique.

Vous entendrez les sons et échos de MC Solaar, Diam's, Erykah Badu, India Arie, J.Cole, Missy Elliott, Lauryn Hill et Stromae, qui résonne à travers sa voix. Rassurez-vous Missy D ne fait que commencer avec son tout nouvel EP francophone intitulé Case Départ sorti en Avril 2022 avec une vidéo pour son premier titre Case Départ. C'est une artiste à découvrir, qui vous invite dans son univers plein d'émotions et en chantant YES MAMA pendant que Missy D célèbre cette diversité dans les instrumentaux, dans la musique et surtout dans notre monde.
