

Robin Layne & the Rhythm Makers

Hospitality Rider

Accommodations:

We are a five-piece band and will need 5 separate beds – typically 2 double hotel rooms – queen or double beds and 1 single hotel room for the female member of the band. Or if homestays/billets we each need a separate bed. Ideally for billeting, staying at the same place or close by is ideal as we are traveling in one van together

Food/Drink:

We don't have any food restrictions and ask for venues to provide dinner or a dinner buyout. If appropriate for your venue we also ask for a selection of regional craft beers (IPAs, Lagers), water, sparkling water, fruit or veggie tray, sandwiches, soup, or a cheese and charcuterie tray to be available for after load in or at sound check depending on timing
